Garfield Bars Increase In Coal Prices

WASHINGTON, D. C., Dec. 6.—Not one cent can be added to the price of coal to finance any increases in the wages of miners, Fuel Administrator Garfield declared today, after reading press dispatches that Governor Cox, of Ohio, had proposed that miners and operators in that state compromise on the basis of a 25 percent advance in pay for the men. Dr. Garfield indicated that the government would impose no objection if the increase would be given without advancing coal prices.

"There will be no increase in the present price of coal as fixed under the Lever act," Dr. Garfield said, "no matter what local arrangements and agreements are put into effect." He added that his position was absolutely unchanged from that taken on November 26, with the authorization of the cabinet. Dr. Garfield explained then, in suggesting the 14 percent advance, which the miners promptly rejected, that he was not fixing wage scales, and had no authority to do so. He indicated that the increase suggested was merely that which the operators were able to grant without advancing the price of coal, which the government has fixed.

WASHINGTON, D. C., Dec. 6.—All simultaneous coal mines now in operation must close within a week, unless the railroad administration pays for the coal it has confiscated or diverted, said a statement today by the American Wholesale Coal Association.

The association said the railroad administration had refused to pay the coal until a price it considered fair had been fixed by Fuel Administrator Garfield and that Dr. Garfield had refused to change his price ruling.

Mines which will be affected, the statement said, are producing now \$400,000 tons of coal weekly, the sole supply for the nation in the present crisis.

"If the mines are to continue to produce coal, they must have money to meet their pay rolls," said the statement. "The railroad administration is taking sixty percent of this coal. It has paid for no coal delivered or diverted for sixty days and refuses to pay until a price which it considers fair is fixed by Dr. Garfield. Dr. Garfield has refused to change his price ruling, so long as this deadlock continues, coal mines can get no money for coal, which has been mined and shipped."

SIXTH WEEK OF THE STRIKE

STRIKE enters sixth week. OPTIMISM felt by operators not reflected in actual developments.

URGENT curtailment of passenger train service throughout country. ADDITIONAL industries closed by officials as conservation measure or forced to close through scarcity of coal.

SIX HOUR day in Chicago business circles begins Monday, with possibility of four hour day soon.

SOME states operating mines and others preparing to do so. QUARTER of million workers face idleness in Washington.

COLUMBUS, O., Dec. 6.—Industries in all parts of the state are curtailing the consumption of coal and a great many have suspended operation because of the shortage. Unless production is increased, the situation will be a disaster.

INDEPENDENT GOVERNMENT IN HERMANSTADT

VIENNA, Thursday, Dec. 4.—An independent government has been set up in Hermanstadt, in the occupied district of Transylvania and all its members have been arrested by the Rumanians, according to dispatches from Bucharest. In all 263 arrests were made. Fifty thousand Rumanian troops have been recalled from the Besarabian front and sent into the Hermanstadt district.

Victory Buttons Will Be Issued By The Navy

WASHINGTON, D. C., Dec. 6.—Victory buttons will be issued by the navy department to all persons who served in the reserve or regular navy during the war. Announcement was made by the department today that distribution of the buttons, which are of bronze with an appropriate design, would begin at once. Recruiting stations have been authorized to issue them to all eligible persons now discharged or on inactive duty.

The victory button, it was explained, is awarded in addition to the victory medal, distribution of which is expected to begin shortly.

CARRANZA TROOPS FIRE ON OBREGON FOLLOWERS

WASHINGTON, Dec. 6.—Private advice received here today from Mexico said Carranza troops at Tachuca, state of Hidalgo, fired on the followers of General Obregon while the general was making a public address in the interest of his candidacy for the presidency. No details were given.

SIBERIANS FACE STARVATION UNLESS GIVEN RELIEF

TOKIO, Nov. 18.—(Correspondence of the Associated Press).—Unless some immediate assistance in the most substantial form is sent to those who are working in Siberia to stem the ravages of hunger, exposure and disease, one of every three among the young children of Siberia is doomed to die this winter, according to the estimate of the situation sent to Japan by Countess Tolstoy, a well known relief worker of the Russian Red Cross and a relative of the late Count Tolstoy.

Prices of milk, butter, bread, meat and other food staples have been advancing for many months and even in sections of Siberia, where wheat, cattle, sheep, barley and poultry are plentiful, the prices are comparatively high, owing to the depreciation in the value of the rouble, the standard money. Many refugees are undernourished in the midst of plenty because they have no money with which to buy.

Sign Protocol Or Face Army Action, Germany Told

PARIS, Dec. 6.—In a note drafted by the supreme council today, it is demanded that Germany sign the protocol providing for the carrying out of the peace terms, failing which the allies, it is set forth, will be obliged to have recourse to military measures.

The utmost secrecy is being observed regarding the terms of the note, which was unanimously adopted by the council this morning, but it can be said that it is worded so firmly that conference circles expect the discussion with Germany regarding the putting of the treaty into force will be finally closed.

The note recalls that making the treaty effective means the immediate release of the German prisoners. It leaves the reply to the German representations regarding the claims for the sinking of the German fleet at Scapa Flow to be dealt with in a further special note.

The note closes by directing Ger-

many to sign the armistice protocol, failing which action the council declares it will be constrained to adopt measures of coercion of a military order.

Owing to the importance of the note, Paul Dautant, the general secretary of the peace conference, will personally hand the note to Baron Voelker, the head of the German mission.

Some speculation is being indulged in as to whether the American forces in the occupied region would join in the carrying out of military measures should Germany refuse to sign the protocol. It is learned, however, that this

question has not been raised by the allies, who assume that as the armistice is still in force, the Americans would take part in any forward movement, with the British on one side and the French on the other.

Notwithstanding the discussion of preparations for military eventualities, the impression among the peace conference delegates is that Germany will sign the protocol. The view is taken that the German government, having been waiting for an ultimatum before yielding, will accept the situation now that the ultimatum has been presented and will sign the protocol under duress. CLEVELAND ASKS AID IN OPERATING OWN MINE

COLUMBUS, O., Dec. 4.—Cleveland city officials appealed to Ohio officials of the United Mine Workers' organization today for men to produce coal in a mine, which the city is taking over at Salineville in order to supply the Cleveland water works with coal.

State officials of the miners' organization are said to have advised Cleveland authorities that it was up to the miners in the district whether they would work. Cleveland officials are said to have offered to pay whatever price was demanded in order to secure enough coal to operate its municipal utilities.

A committee of Cleveland officials, it is said, will go to Salineville to take the matter up with John Saxton, president of the sub-district organization. Monday is expected to see a crisis in the coal situation in Ohio. Several cities are practically out of coal, among them being Cleveland, Canton, Dayton, Youngstown and Newark.

No further action was taken today by Governor Cox or miners and operators relative to a settlement for the state.

Both operators and miners returned to their homes over Sunday, but will be ready to resume negotiations here Monday.

The Marion Steam Shovel Works of Marion appealed to the state public utilities commission today for coal, claiming that it is an essential industry because it is manufacturing steam shovels, used in the stripping process of producing coal.

Want Lower Prices? Here's The Chance

CLEVELAND, O., Dec. 6.—Lower prices of women's clothing will be possible only when production of labor increases, demand for finer grades of wool records and styles are adjusted to the supply of fabrics. These assertions were made by speakers before the annual meeting of the National Cloth, Suit and Skirt Manufacturers Association here. As a means of adjusting styles to the supply of fabrics, a resolution was adopted calling for co-operation between garment makers and producers.

THOUSANDS FACE IDLENESS IN MICHIGAN

DETROIT, MICH., Dec. 6.—Unless there is an immediate betterment in the fuel situation upwards of a quarter of a million workers in Michigan face the possibility of being thrown out of work during the next few days, in the opinion of leading employers. In Detroit alone, approximately 200,000 men may face temporary unemployment the coming week as the result of notification given the employers' association by the Detroit Edison Company, that power will be furnished to only essential industries, that to other plants being cut four-fifths. This company furnishes 70 percent of the power used in Detroit factories. At Lansing dozens of plants have already suspended and others will close.

Regional Fuel Administrator Findlay has announced that not a pound of coal will be delivered to firms outside the first five priorities and curtailment of electric signs and public lighting will commence tonight.

READY TO TRANSPORT WHISKY LOUISVILLE.—About 1600 freight cars are assembled here to carry whisky out of the state, should war-time prohibition be declared unconstitutional by the supreme court Monday.

ST. LOUIS AN OASIS FOR DRY THROATS

ST. LOUIS, MO., Dec. 6.—Tentacles were sold freely in St. Louis today following the order of Federal Judge Paris yesterday temporarily restraining the United States district attorney and the collector of internal revenue from interfering with the sale of such beverages.

Thousands of gallons of whiskey and wines were disposed of and it was a common sight to see people boarding street cars with large earthen jugs and bundles of quart bottles.

Whiskey, at wholesale brought from \$17 to \$23 a gallon, according to the proof and saloons sold drinks at 20 to 30 cents each, "pour it yourself."

Bottled good retailed at an average of \$10 a quart.

LLOYD GEORGE REJECTS RENEWAL OF PARTY LINES

MANCHESTER, ENGLAND, Dec. 6.—Premier Lloyd George, speaking before the Reform Club today, totally rejected the suggestion that the time had arrived for a renewal of party distinctions by the liberals and conservatives.

Governor Takes Action To Raise Teachers Salaries

TRENTON, N. J., Dec. 6.—Expressing fear that 600,000 New Jersey school children may be made "victims of a demoralized and broken down educational system," due to underpaid teachers, Governor Reardon today issued a statement calling attention of the local boards of estimate to "the gravity of the situation."

New Jersey, he said, faces the immediate prospect of closing schools or drawing into the teaching profession a still larger number of those inadequately trained and those without special preparation for the work. Competition with other states for the service of teachers appears unavoidable, he said.

STEEL MILL PRESIDENT RESIGNS

YOUNGSTOWN, O., Dec. 6.—W. A. Thomas, president of the Brier Hill Steel Company, second largest plant in the Mahoning Valley, has tendered his resignation, effective January 1. It was announced at the company's office today. It was said that Mr. Thomas will take a rest much needed after his work in developing the company. He has headed the concern since its organization.

LAST OF ALLIES TO ABANDON BREAD CARDS

ROME, Friday, Dec. 5.—Bread and macaroni cards will be abolished before Christmas, according to a government announcement, and after that time only sugar will be dispensed by the card system. Italy is the last of the allies to abandon bread cards. (Continued on Page Six)

WASHINGTON, Dec. 6.—Prosecution of western oil producers for alleged profiteering was ordered today by Attorney General Palmer. On complaint filed by Senator Capper of Kansas, federal agents were instructed to proceed at once against producers who have taken advantage of the fuel shortage in the west to increase the price of their product.

Simultaneously the railroad administration established an embargo effective Monday, against shipments of fuel oil from the west to points east of Chicago and St. Louis. This action, it was explained, was necessary to conserve the small supplies of coal available for the territory west of the Mississippi river and to compel, where possible, the use of fuel oil instead.

Old producers, Senator Capper said, have increased their prices from about \$1 a barrel before the strike to nearly \$4.50 a barrel. Declaring that scores of industrial plants in the west had converted their fuel equipment for oil consumption since the strike began, Senator Capper said the increase in oil prices had placed a burden on them.

STATES ENGAGED IN MINING BUSINESS

KANSAS CITY, MO., Dec. 6.—Kansas was getting coal in fairly appreciable quantities through the volunteer plan today; Missouri expected to be doing so by night; Oklahoma, where martial law has been declared in the coal producing countries, hopes to be in the business by Monday; and Arkansas, reports indicated, probably will have launched its volunteer mining venture by early next week. That apparently summarized the coal production situation in the southwest today.

TENNESSEE DETERMINED TO RUN MINES

KNOXVILLE, TENN., Dec. 6.—No strike was served on miners and operators here today by Governor Roberts that all the resources of the state in men and money would be used to produce coal unless the strike was ended speedily.

"The owner of a coal mine has not the right to use his property or decline to use it to the detriment and injury of the public," the governor said, "and on the other hand the moral right of the men to strike is not in any sense an absolute one."

JAP TRAM CAR WORKERS STRIKE

Move Started To End Steel Strike

YOUNGSTOWN, O., Dec. 6.—The fate of the steel strike will be decided at a meeting of the national strike committee in Washington, December 13, when the presidents of the 24 international involved unions will vote directly on the proposition of ending the strike. It was stated here today by an organizer for one of these unions, who said he had been sent to check up on reports made by the national strike committee.

PITTSBURGH, PA., Dec. 6.—"If

there is a move on foot to end the steel strike, I don't know anything about it," said W. Z. Foster, secretary of the national steel strike committee, when informed of the statement credited to an organizer at Youngstown, Ohio.

"Any member of the national strike committee can bring up any question he desires at any meeting of the committee," added Mr. Foster, "and it is possible some one has something of that kind in mind, but I have not

heard of it."

"At all the meetings of the committee the determination has been to continue the strike, and at the last meeting the sentiment was that some steel production had been reduced by the strike to the point where it is, we would go right along as usual."

Mr. Foster said a meeting of the national committee would be held in Washington next week, but he had not been informed that the date had been set at December 13.

ANTI-TUBERCULOSIS SUNDAY TOMORROW

As part of the program of education in the prevention of tuberculosis which is included in the Red Cross Seal campaign, which is now in full swing, Sunday will be celebrated in the churches as Anti-Tuberculosis Sunday. The following local physicians will aid in the campaign by making talks in the various churches: Dr. P. J. Kline will

talk at the First Presbyterian; Dr. G. W. Wendelken, Central Presbyterian church; Dr. L. G. Locke, Second Presbyterian church; Dr. Joseph S. Rarick, Highland church in the morning and First Baptist church in the evening; Dr. J. D. Jordan, Manly church; Dr. C. W. Cheney, New Boston Baptist church; Rev. E. A. Powell will speak at his church in the Anti-Tuberculosis

campaign. Rev. N. E. Butler made a splendid campaign address last Sunday at Trinity church. Rev. R. G. Meeks will speak on the subject Sunday afternoon at the Y. M. C. A. Other churches have made arrangements to carry on the campaign program Sunday.

MISSIONARY MEETING IS BIG SUCCESS

The group meeting of the Woman's Foreign Missionary Society of the M. E. church held Friday at the M. E. church in Schlotzville was a decided success and reported to be one of the best ever held.

All the churches of Portsmouth were well represented as well as those of

surrounding towns. Mrs. Mary G. Winter, the corresponding secretary of the society, was present and opened the meeting at 10:30 with the devotion and the report of the branch and general executive meetings. Mrs. Frank Webb gave the report of the children's work. After lunch the meeting resumed

at 1:30 with a talk "The Vision of the New Era" by Mrs. Beggs Turner and a vocal duet followed. "Whatever, Wherever" by Mrs. R. G. Gilmore and Mrs. E. E. Haequard. Mrs. J. E. Maxwell gave an interesting and uplifting talk and the meeting was concluded with a talk "The Kingdom is Coming" by Mrs. Winter.

SUNDAY AT BLUE TRIANGLE ROOMS

Sunday at the Blue Triangle will be a most enjoyable day and the public is earnestly invited to come in during the afternoon. Vespers will be held at 6 o'clock at which time Mrs. Robert M. Keener, one of the most popular soloists in the city will sing. Rev. D. C. Boyd will give a short talk at the ves-

per service. Any business girl or woman wishing to play basket ball should stop in at the Blue Triangle room and leave a name so that a list may be made up for team use. Anyone wishing to join the athletic dancing class stop at the room and leave name before Wednesday, so that the size of the class may

be estimated. Athletic dancing classes are to be held Wednesdays after 8 o'clock. Basket ball will be played on Monday evening. These two classes may be joined by paying a fee of one dollar, as there is the expense of the gymnasium to be met. The price will be just the same if but one class is entered, owing to gym rent.

Send In Your Chamber Of Commerce Vote

The Chamber of Commerce office solicits a heavy vote in the primary election for the nomination of members for the board of directors. Members are urged to return their ballots at once for the polls close at six o'clock Monday, December 8th.

The primary election is a question of the selection of community leader-

ship and the entire membership is asked to act as a nominating committee. It is the duty of every member to vote in the elections for a governing board.

Considerable emphasis is placed upon the fact that the primary election should nominate a strictly representative leadership. The newly organized

Chamber is distinctly a civic and commercial association of citizens banded together for the promotion of the civic, economic and social welfare of Portsmouth. Therefore, it is hoped that the governing board will have on its list members from the many spheres of activity.

Final election ballots with the names of twenty-eight nominees will be sent out to the members on Tuesday, December 9th and will be due on Wednesday, December 10th. In this election members will be asked to choose

OBITUARY

Mrs. Mary E. Willis

Death Friday afternoon claimed Mrs. Mary E. Willis widow of Thomas Willis the final summons coming after a few hours illness of pneumonia of the heart. Mrs. Willis passed away at the home of her grand-daughter Mrs. Ora Miller of 1536 Fourth street.

Mrs. Willis had not complained of feeling seriously ill but was suffering with a cold for several days Friday morning she took a change for the worse and a physician was called. The spark of life died quickly and Friday afternoon Mrs. Willis passed to the Great Beyond.

The deceased was 75 years of age. She was born in Greenup county, Ky., and came to Portsmouth when a girl. Most of her life had been spent in this city where she had many friends who will learn of her sudden death with genuine sorrow. Her husband a war veteran died about seven years ago.

Three children are left to mourn the death of a kind and loving mother. They are E. E. Willis of Pittsburgh, Mrs. Ann Byers of Cleveland and Mrs. Ella Byers of Fourth street. She also leaves four grand-daughters as follows, Mrs. Ora Miller, Fourth street, Mrs. Mary Beaman, Birmingham, Ala., Mrs. James Scummes of Selotville and Lester Byers of Cleveland. Eight great grandchildren also survive. The following brothers and sisters survive, George Allen, Ninth street, John Allen, East Portsmouth, Senus Allen, Kentucky, Mrs. J. Lyons, Kentucky, Mrs. Sarah Wade, Officers and Mrs. Anna Dole of Oak Hill, Mrs. Willis being the first of seven children to pass away.

Mrs. Willis was a faithful member of Trinity church for many years and always attended services when health permitted.

The funeral will be held probably Monday or Tuesday, arrangements to be made on the arrival of relatives.

Funeral of Mrs. Axel Funk

Funeral services for the late Mrs. Axel Funk, who died Friday noon, at her late home, Jackson avenue, will be held at the home Monday afternoon at 2 o'clock, with Rev. L. M. Kayser in charge of the services. Burial will be made in Greenlawn cemetery.

Noon Extra May Not Be Printed Monday

Owing to the work of installing a piece of machinery in the Times press room, there is a possibility that it will

be impossible to print the Noon Extra Monday. If the "Noon" does not appear patrons will know the reason. Other editions will appear on time.

STREET IS BLOCKED

On account of the serious illness of Mrs. E. Hanner of 1718 Highland

avenue, the street between Hurlbush and Franklin avenues has been blocked by order of Mayor H. H. Kaps.

Will Attend Meeting

Frank M. Baggs will leave this evening for Washington where he will attend the sessions of the National River and Harbor congress, December 10-11-12, he having been appointed a delegate by Governor Cox. Mr. Baggs will be accompanied by Washington by

A. E. Singleton, who will represent the Central Waterways association. Mr. Baggs has just returned home from Cincinnati where he attended a meeting of the Ohio Valley Improvement association.

SOCIETY

The Ladies' Musicale will meet at 2:30 on Monday afternoon in the U. of P. Hall, with Mrs. J. W. Hannon in charge of the program, which will appear in Sunday's paper.

The Ladies' Aid Society of the Calvary Baptist church met Thursday afternoon in regular business session in the church basement. Officers were elected for the coming year as follows: President, Mrs. Hattie Green; Vice-President, Mrs. Minnie Craig; Secretary, Mrs. Harison Veneer; Treasurer, Mrs. Ella Cooper. A neat sum, amounting to \$45.00, was turned over to the treasurer from a supper recently given.

The Young Women's Home Circle of Trinity M. E. church will meet Monday evening at 7:30 o'clock at the home of Miss Pauline Mick of 1722 Baird avenue.

There will be a meeting of the Opportunity Auxiliary of the Second Presbyterian church at 7:15 on Monday evening at the church.

The Bigelow Foreign Missionary Society will meet at the home of Mrs. A. S. Dindit, 1225 Second street, on Tuesday afternoon, December 9, at 2:30.

Mrs. M. H. Longfellow was hostess today, having as her guests the members of the Saturday Whist Club for their regular meeting.

At the church services Sunday evening at the First Presbyterian church, vocal music will be furnished by Mrs. H. C. Bugh and Mr. Henry H. Meade, who will sing a duet, and Mr. Cren De Bruin who will sing two solos. Mrs. Bugh, Mr. Meade and Mr. De Bruin will participate in the Elks' Memorial exercises on Sunday afternoon.

Miss Marie Ware of Second street, has returned home from New York City, where she spent several weeks with her aunt and uncle, Mr. and Mrs. S. B. Thomas, who will remain for a few weeks longer.

PUBLIC INVITED TO ELKS MEMORIAL

The public is invited to attend the Elks Annual Lodge of sorrow exercises which will be held Sunday afternoon at 2:30 in the Elks Club, Sixth and Chillicothe streets.

An interesting program has been arranged and excellent songs of the best musical and literary talent in the city. During the past year the lodge lost two members by death.

A PERFECT LIFE

The following tribute to the late Mrs. Mary E. Willis was written by Mrs. Sarah B. Zull, secretary of the Home League, and read to the members at their meeting on Thursday afternoon:

"It would seem as though God needed one more to make complete His choir invisible, for on Thanksgiving morning, at 10 o'clock, He sent the Death Angel, who came and kindly took our very dear friend, Mary E. Willis, by the hand and gently led her home. With tender love, with infinite regret, with unfeigned sorrow do we offer this tribute to the precious memory of Mary E. Willis. Remembering the 'tender grace of a day that is gone' we can scarce speak her name for tears. She meant much to us all, and our hearts so cry out for her today, that it seems as if she must wear, but no sound breaks the stillness of the autumn air, and we realize she has reached the river at its narrow crossing, and Christ has thrown Himself across the little span, while just above the golden arch is written—Abundant entrance to this faithful one. 'The divine gift of music was her logical inheritance, and she found much pleasure in contributing to the many requests made upon her. At any time she was heard, she seemed almost a part of the instrument on which her familiar touch is associated with every hymn we sing.

We began to write in deepest sorrow, but as we think of the supreme delight which one week in heaven has brought to her, and that such will be her lot all eternity, our thoughts turn to better things, and the Home League would have a carol of triumph sing—

Light after darkness—
Gain after loss,
Strength after weakness,
Crown after cross,
Sheaves after sowing,
Sun after rain,
Sight after mystery,
Peace after pain,
Joy after sorrow,
Celestial reward,
Rest after weariness—
Sweet rest at last.

Therefore, Be It Resolved: That as the name of Mary E. Willis is placed upon our memorial list, it shall ever be a reminder to us that she has left us a rich legacy in her kind and noble deeds in all mankind, in her far-reaching, sympathetic and exemplary life, and her memory shall ever be cherished in the hearts of those who knew her only to love her. Of her it can be truthfully said: She rests from her labors, but her works do follow her. Lovingly, tenderly, we extend to the bereaved husband and friends our deepest sympathy, commending them to the care of the Heavenly Father, in Whom all safely trusted.

MISSIONARY PAGEANT AT CHRISTIAN CHURCH

The Ladies of the Women's Missionary Society of the First Christian church will put on a pageant entitled "Forty-Five Years of Service" next Sunday evening at the regular preaching hour—7 o'clock. This is an historical pageant, descriptive of the forty-five years of history of the Christian Women's Board of Missions. It takes about sixty-five people to put it on. It opens with a tableau: "The Spirit of Prayer."

Taken beginning with the "Pioneers,"

proceeds through the years of development, presenting the different kind of work and the fields of labor, closed with the dedication of all our organizations. It is an adaptation of the Victory Pageant with little alterations. This was given at Music Hall, Cincinnati, at the International Convention of Disciples of Christ last October. It is interspersed with music, which helps to make it interesting. Everyone is invited to see and enjoy this pageant. The offering will go to the C. W. B. M. for missionary work.

SEND OUT UNIQUE INVITATION

The following unique invitation has been sent out to members of the Assembly Class of Bigelow church, the class being one of the hustling, energetic ones of the growing Bigelow Study School.

All members of this class should not forget their duty. Remember each and every day. Year after year should be, New Year's resolutions should be, New Year's resolutions should be, New Year's resolutions should be.

Can't we rally to the call? Love of Christ has set for all hearts watching from above. Shall then see our work of love? Shall see us are not slow, in our work for Bigelow.

Mrs. Golda Hart went to Portsmouth Friday to visit with her cousin, Mrs. Kate De Lotz.

Elk's Charity Ball Is Success In Every Way

In the name of Charity and Pleasure, the people were drawn to the Elk Ball, which was held at the Elk Ball Room, last night. The ball was a great success in every way. The room was beautifully decorated with greenery and flowers. The music was excellent, and the dancing was very enjoyable. The ball was a great success in every way.

Baseman's ball room with its moon and star light often the feature of the ball's attractiveness was crowded continually and late, or rather early this morning. Asbell's Orchestra furnished the music with true jazz spirit and inspiring "pop" for the dancing at Baseman's. Ben Hur hall with the scintillating vivacity of Anderson's Jazz Orchestra was likewise crowded with dancers during the night and morning hours.

Among contributors to the financial success of the Charity Ball was Stephen A. Goodman, Earl B. Cooke, Harry Williams, J. E. Davis and Earl Russell. I. H. Goodman, chairman of the entertainment committee in a statement made this morning said: "Everything went splendidly we are happy to say. We reached the mark in our ticket sales and are well pleased with the success of the dance in general. Over 2000 people attended the Charity Ball last night."

What's Bone Dry — What's Not?

Not every storage battery that is called "bone dry" is really shipped and stored in bone-dry condition.

Some have solution put in at the factory, and poured out again before shipment.

Some are shipped with plates dry, and insulation wet.

These batteries are not bone dry.

Come in and get straight from us the story of Willard Threaded Rubber Insulation, the only form of insulation that permits of bone-dry shipment and storage of automobile starting, lighting and ignition batteries.

Sciotoville And Wheelersburg

Mrs. Horace Belmont of Market street delightfully entertained the Halcyon Club at her home yesterday afternoon. The house was decorated with ferns and cut flowers. During the afternoon congenial chat and needle work were indulged in, concluded by a jolty lunch, consisting of Waldorf salad, sandwiches, plum-pudding and coffee, served by the hostess. The next meeting will be held at the home of Mrs. Carl Brock, the time to be announced later. The guest list included Mrs. Wm. Pepper, Mrs. Russell Stockham and Mrs. Frank Price of Portsmouth and Mesdames Carl Brock, Earl Duveck, Norman Apel, S. E. Moorhead, Earl Himes, Wendell Taylor, Ralph Gilmore and the hostess. During the afternoon Mrs. Frank Price gave a very interesting talk on Home Missionary Work.

Mr. and Mrs. Roy Platt of Longmeadow, are the parents of a son born Thursday.

Alvin Woods of Fifth street is ill with typhoid fever.

One of the most enthusiastic meetings ever held in the M. E. church was the all day session of the Woman's Foreign Missionary Society of the M. E. church held yesterday. Members were present from churches of Wheelersburg and Portsmouth. At the noon hour lunch was served in the basement. Mrs. Mary Winters of Ironton gave several interesting talks, which were very beneficial to missionary workers. Others on the program, including Mrs. Bess Turner, Mrs. J. A. Maxwell and Mrs. Frank Webb also proved interesting in the line of work they represented.

WHEELERSBURG

The Baptist Women's Missionary Society met at the church at two o'clock this afternoon in regular business session. This was the first meeting since this society was organized. Light refreshments were served by a social committee consisting of Mrs. J. W. Hocking, Mrs. Chas. Reed and Miss Winifred Duls. Several new members were added to the membership list. Anyone wishing to attend these meetings, which will be announced later, are cordially invited.

Voorhees Busy In Lawrence County

IRONTON, Dec. 6.—F. D. Voorhees, deputy state warden and W. H. Downing, game warden of Wayne, Pike counties, returned to Ironton last evening from Waterloo, where they had been patrolling in the interest of the state's game. They reported their discovery of several hunters without licenses, and indicated that within the next few days affidavits would be filed in Squire Upp's court against parties on this charge.

Charles "Toots" McCleats of this city was tried Tuesday before Squire Upp on a charge of having in his pos-

session parts of illegal fishing devices. Squire Upp took the case under advisement until Thursday afternoon at one o'clock when McCleats was found guilty and assessed a fine of \$25. McCleats will appeal the case and has engaged Attorney J. O. Yates to defend him. Prosecuting Attorney T. A. Jenkins will represent the state.

In their investigation yesterday the officers claim they found Perry Yates in possession of and controlling a ferret, John Ashberry hunting without a license and Oza Rogers hunting without a license.

COURT HOUSE

Gun User Pleads Not Guilty

Thomas Bowen, 52, confessed slayer of his son-in-law, Louis Rollins at their home near Lyra, pleaded not guilty to a charge of first degree murder when arraigned before Squire William McCleats at the county jail office today. The accused was held without bond pending his preliminary hearing which was set for one o'clock December 10 by which time it is expected Coroner J. D. Hendrickson will be able to be present and testify as he was detained at home today with a severe cold.

While admitting that he shot Rollins the defendant claims he used the gun in self-defense and when the charge was read to him by the magistrate Bowen in entering his plea said: "Well I killed him, but I didn't do it purposely and I plead not guilty."

The tragedy occurred late Wednesday afternoon and resulted from an altercation over Bowen putting up a stove in the one room in which he lived at the same house occupied by the Rollins family.

The accused has retained Attorney R. P. Kimble to defend him.

Confess About Prosecutions

State Examiner E. S. Parrott of Batavia was in the city Saturday in conference with Prosecutor Sheppard in regard to the embezzlement prosecutions which will soon come up in com-

mon pleas court and in which the examiner is expected to be an important witness. Mr. Parrott left this afternoon for his home at Batavia.

Arguments Heard In \$250,000 Case

Judge Thomas Saturday heard arguments of counsel on a motion to the second amended petition in the suit of The Grace Construction company of Pittsburgh, against The Chesapeake & Ohio Northern Railway company, in which the plaintiff is seeking to recover on a claim of \$250,000 for extras on its contract in connection with the construction of the railroad through a portion of Scioto and Pike counties.

Attorney H. T. Hannon appeared for the defense in support of the motion and it was resisted by Attorneys Frank Dismore and Floyd Williams of Cheltenham, for the plaintiff. At the conclusion of the arguments the court took the motion under advisement.

ADMITS GUILT

C. E. Hootch, alias Yox, arrested at Grand Rapids, Mich., and returned here on a charge of forgery pleaded guilty when arraigned before Squire J. J. Finney today and the defendant was held to the grand jury under \$500 bond. The accused was unable to furnish bond and was remanded to jail.

The complaint against Hootch was filed by Dave Farrell, proprietor of the Victory Cafeteria, who alleged that the defendant forged his name in two checks for thirty dollars each. Hootch was formerly employed as chef at the Cafeteria and one of the bogus checks was passed in this city and the other at Grand Rapids it is claimed.

Keep Out the Moisture

A very effective agent for moisture-proofing wood has been found in an aluminum leaf coating. This coating practically insulates the wood against any change in atmospheric conditions, and is particularly valuable for use where accurate form and balance must be maintained, as would be necessary in an airplane propeller.

New Idea in Transportation

A "Locotractor" has been developed for use in Africa. The weight of the car and cargo is supported on metal rails, but the vehicles are driven by rubber-tired wheels running on prepared strips of road metal on each side of the tracks. This arrangement is said to be very effective.

Subject

"God's Holy Sabbath Day. Is It Saturday, The Seventh Day, Or Sunday, The First Day?"

Has God a Sabbath Day at all? If so, what should our attitude be toward it? Can we honor God or even respect Him by keeping any other day that is not made Holy by Him? These and many other questions considered.

"Come, let us reason together," saith the Lord. Everybody Is Invited

What Shall I Give Him?

"What shall I give him" is a question easily answered here. So many useful gifts appeal that you'll wonder why you didn't come here first of all and save time and trouble, and get the very thing he wants.

Gloves for the warmth of friendship. Cravats for pride. Belts for their uplift. Handkerchiefs, cuff links and shirt studs for his "occasion." Silk shirts, silk hose, canes, umbrellas, bathrobes or smoking jacket.

The problem of what to give can be easily solved here.

Important Announcement!

¶ Being convinced after one year's experiment with the Pass Book Christmas Saving Plan that it has failed to live up to its promises and with the desire to give our patrons the best possible service, this bank takes this opportunity of announcing to the people of this community that the above plan will be discontinued for 1920.

¶ The Pass Book Christmas Saving Plan was selected as the best one of many investigated in the hope it might have some advantages not possessed by our Christmas Money Club (coupon plan), which has been in operation for eight years and proven so popular with its 5000 and more members and which will be continued indefinitely and pushed with greater vigor than ever.

¶ The Christmas Money Club plan enables a depositor to see at a glance the amount of money he has saved, when the payments were made, to whom and date when future payments are due. It is fast, convenient, simple and we know the most efficient plan ever put into operation. There is not a single advantageous feature overlooked in the Christmas Money Club.

¶ The Pass Book plan had in the neighborhood of 1000 depositors. Not a single one of this one thousand persons has ever said a word of commendation—on the contrary we have heard nothing but complaints, and we have been kept busy all the year apologizing to the holders of the pass books. We know they will agree that we are doing the proper thing in discontinuing the pass book method.

¶ The Christmas Money Club has become nation-wide in its popularity, being in operation in practically all the banks that have the largest clubs.

¶ In order to afford more efficient service, this bank, during this year, has increased its floor space and added five additional windows, which will mean prompt and intelligent service and enable you to be waited upon with efficiency and dispatch.

¶ THE CHRISTMAS MONEY CLUB FOR 1920 WILL OPEN FOR MEMBERSHIP ON MONDAY, DECEMBER 8th.

¶ ON THE SAME DATE CHECKS WILL BE MAILED TO THE 6000 MEMBERS OF THE 1919 CLUBS. WATCH THE DAILY TIMES FOR THE AMOUNT THAT WILL BE DISBURSED.

A FREE BIBLE LECTURE

By Dr. J. E. Campbell V. D. M.

In Temple Theatre

Sunday, Dec. 7th. at 2:30 P. M.

Many people do not believe that God has a great programme and that he is working all things according to a predetermined arrangement (Eph. 1:11). Others do not believe that the Bible is a revelation of that plan and programme. Others have a sort of hazy, mazy idea that it is God's Book and that He has a plan, but that He never intended anyone to understand it. Why did He give us the Bible? What is the Plan? What is NEXT in its unfolding?

Whether you are Catholic, Protestant, Jew or Honest Infidel you will love and respect the Bible and its great Author after you hear Dr. Campbell.

SIGN PROTOCOL, GERMANY TOLD

Baron Von Lersner's communication, which was received by Premier Clemenceau Thursday, declared the allies were misinformed regarding their complaint that Germany was exceeding by far the limit of military forces permitted her under the treaty. Von Lersner declared that the German government had never sought to conceal the fact that the creation of detective police forces and civic guards would be necessary, and that the German government was prepared to submit proofs to General Nollet, head of the entente commission of control in Berlin, that these organizations were permissible under the treaty.

Germany, added the German plenipotentiary, was ready to discuss the question immediately with the allies, and believed that such an offer was the best proof that she was not seeking to avoid carrying out the treaty terms.

The text of Premier Clemenceau's note to Von Lersner concerning the excessive German armament complained of, which was made public today, shows that Germany was charged, in addition to the formation of the Reichswehr (imperial defense troops) with organizing the Sicherheitspolizei (security police) and the Selbstwehr (emergency volunteers), which are declared to be virtually military forces. It summons Germany to reduce her forces strictly to the limits of the treaty.

LONDON, Dec. 6.—In connection with the note presented by the supreme council at Paris to the German representatives notifying Germany that unless she signs the armistice protocol, coercive measures of a military order will be adopted. The standard outlines the probable military measures to be taken. The newspaper says that the British and Belgians will occupy Essen while the French and Americans will go to Frankfurt.

GARFIELD BARS PRICE INCREASE

tion is resumed within a few days, state officials predict that several hundred thousand workmen in Ohio will be idle.

Industrial leaders, however, are optimistic and have hopes that Governor Cox's negotiations with operators and miners' leaders will bring about a settlement of the strike of Ohio miners. Governor Cox, following a conference with operators yesterday, declared the prospects for settlement are good, and conferences will be resumed Monday morning.

Negotiations between the governor and the disputants were held behind closed doors. While no statement as to proposals for a compromise were made public, it is believed the governor proposed an increase of approximately 25 per cent.

A. A. Augustus, president of the Cambridge Collieries Company, one of the largest coal companies in the state, said he was willing to accept the governor's proposal. It is generally believed the 25 per cent increase will be acceptable to Ohio miners.

Mayor Schurz, of Canton, has announced that if no agreement is reached between the operators and miners here, he will issue a call for volunteer miners to operate mines in Stark county to relieve the coal shortage in the county and at Canton. The call, he announced, will be distributed for domestic consumption only.

At Sandusky and Port Clinton along Lake Erie, a number of manufacturing plants have closed down. Confiscation of coal for the operation of the Sandusky light plant has been necessary for several days.

Theaters and motion picture houses in many cities have voluntarily agreed to extinguish their electric light signs one hour each night.

Two of four coke ovens at the National Tube Company at Lorain, were closed today because of the shortage of coal.

In a number of cities officials have taken steps preparatory to cutting local train service.

ing radical propaganda through the United States. This charge has been denied in whole by the Mexican embassy.

Other grievances with Mexico exist, and to what extent these would affect the future policy was a subject of wide discussion today in official circles.

In some quarters it was contended that the release of Jenkins would not cause a let up in the policy of forceful diplomacy, while others claimed it had placed a damper on the negotiations.

President Wilson is expected soon to take active hand in the Mexican tangle and as a result of his conference with the secretaries it was believed the Mexican state department and White House had become coordinated in a surprise effort to obtain final settlement of the whole Mexican problem.

Floating Mines Serious Menace To Shipping

STOCKHOLM, Nov. 25.—The danger to shipping from floating mines in the North Sea is increasing, according to the chief inspector of the Swedish mercantile marine for that district of navigation, who predicts that this winter the mines will constitute a greater menace than at any period since the mine fields were laid. During the week ended December 6, the sinking of one American steamer and the damaging of another from striking mines in the North Sea have been reported.

So extensive were the mine fields and so numerous the mines, says the inspector, that large numbers of them escaped destruction by the British and American mine sweepers, notwithstanding the energy and diligence with which they worked.

More mines than ever before now are said to be loose and drifting toward the Swedish coast.

THE MOVIES

In "The Right to Happiness" at the Lincoln Tonight

This is the greatest love story ever told and will be here for tonight only. An industry that cuts wages below the living level, that refuses to reemploy former service men and that permits working conditions unsafe and unsanitary cannot survive. This is one of the points driven home in this photoplay. It is a forceful, smashing exposure of certain existing conditions with the solution pointed out clearly and dramatically. Dorothy Phillips is the star supported by an all star cast.

Louis Bennison Held Up By Heroine

"Sandy Burke of the U-Bar-U," Louis Bennison's second in his series of Western pictures, distributed by Goldwyn, which will be presented at the Strand tonight holds interest from first to last. Thrilling and novel incidents abound until the very end and its conclusion is especially noteworthy.

Sandy Burke (Louis Bennison), a hard-core adventurer, has rounded up a gang of cattle thieves, who have been preying on the ranch of Jeff Kirby. The rancher's daughter, Molly, is grateful to Sandy also for paying off a mortgage held on the home of the Widow Macey by one of the thieves. His duties done, Sandy calls Molly to say goodbye. He seems bent on the way left in her eyes and she is about to go the rounds that he gave her one of his guns as a memento. Sandy complies and in an instant finds himself staring into the barrel of a gun as she orders him to throw up his arms. "Now throw them around me," she suddenly demands.

Sciotoville High Defeats Hamden

Sciotoville High School Basketball team won over the Hamden High School team in a hotly contested game Friday evening Sciotoville scoring 21 points and Hamden 20. The S. H. S. team having been graduated. At the end of the first half the score stood 12 to 9 in favor of Hamden. Hamden outscored the Sciotoville team several points to every man but the bestness of the S. H. S. team overcame the handicap. From beginning to end it was a fast, clean and interesting game. Brown, of Sciotoville, led in field goals with four to his credit. Courtney came next with three, while Powell came third with two to his credit. For Hamden, Morris and Bagley each made four baskets. Booth of Sciotoville and Powell of Sciotoville made three field goals each. Hascman of Portsmouth was referee. Lineups were: Sciotoville Courtney RF Hamden Morris LF Bagley Brown O W. Mr. Reiser Explains About Accident

Friday's Times, in an article headed "Boy Run Down," contained the following sentence: "The father of the injured boy worked Thursday in an effort to locate the owner and driver of the truck and this morning said that it was the Albert Reiser truck which ran over his child." Wednesday noon I drove west on Eighteenth street to Waller, south on Waller to Seventeenth, turning west on Seventeenth, passing the children from the Lincoln school, who were on their way home to dinner. At Seventeenth and Waller, my nephew, a boy of about nine or ten years of age, and his companion, ran up, jumped on my running board and climbed in the seat with me. Boys always have, and I suppose will as long as there are any red-blooded boys, jumped passing vehicles. If my truck ran over the White but he must have made an unsuccessful attempt to climb on the truck and fell in the path of my rear wheels. My truck is geared low so that my speed is limited, when empty, to ten or twelve miles per hour, and from four to six miles when loaded, so that children can get on and off at will. I have no running board except at the cab and boys attempting to climb in from the side are in the direct path of the rear wheels. I did not know until Thursday that an accident occurred and most certainly would have stopped and looked after the injured lad if my truck struck him with my knowledge. To the parents and teachers of the Garfield school: The children are annoyingly in the habit of jumping my truck when I am going down Galla street. Thanking you in advance for publishing this. ALBERT M. REISER.

Mules Stolen

Sheriff E. E. Riekey was Saturday camping on the trail of a thief who stole a team of young mules from Clarence Salter, farmer of the Bloom Switch vicinity.

The animals were taken from a pasture field early Thursday evening but were not missed until early Friday morning. A search was immediately instituted for the missing mules but not until this morning was a clear discovery and this led Salter to appeal to the authorities for aid in recovering the animals. The mules are valued at \$200 and a vigorous effort was being made by Sheriff Riekey to apprehend the guilty person today.

The CHENEY

for Christmas

A Gift of Ever Increasing Worth, for
"The Longer You Play It,
The Sweeter It Grows"

Hepplewhite Period Model

You will admire the craftsmanship exemplified in Cheney cabinets. Each of period design. The model illustrated below is 43 in. high, 20 1/2 in. wide and 21 in. deep. All metal parts are beautifully nickel-plated. Each instrument is equipped with two reproducers for playing all records, and steel and jewel needles. Automatic stop and shelves for records. \$165

A PRACTICAL gift, yet breathing refinement and elegance. A gift that all the family can enjoy, and a gift that will become of increasing worth.

For it is true of the Cheney alone that "The Longer You Play It, the Sweeter it Grows." Within each Cheney cabinet are enshrined acoustic principles never before applied to tone reproduction—improvements upon old methods which give to the Cheney, tones unrivalled in sweetness, beauty and richness.

Forest Cheney, musician, inventor and scientist, adapted the fundamental principles to tone reproduction which give the violin its sweetness and purity of tone and the pipe organ its rich fullness. He has achieved new heights—he has set his instrument in a class apart.

The Cheney gives piano records the very timbre of piano tones, keeps all of the parts of an orchestra record in perfect balance, maintains the purity and fullness of vocal records which characterized the original production. Needle scratch and mechanical noise are virtually eliminated.

The Cheney plays all records—it is a masterpiece. To really appreciate it, you must hear it.

SOCIETY

The New Century Club held a very interesting meeting on Friday afternoon, December 5. At this meeting Miss Ella Bayre was elected to active membership in the club.

In her tribute to Mrs. Mary E. Draper, Mrs. Mary Cotton spoke feelingly of her admirable qualities, both as a club woman and as a home maker.

Mrs. Charles Wilhelm read extracts from an address, "Post-Armistice Problems of this Country and of the World," delivered by Secretary of War Baker before the Ohio Federation of Women's Clubs at Cleveland.

The address in part follows: "The war ended in the complete collapse of the enemy. During the war there had been no production except for the purpose of destruction, and there was a steady consumption of all that which had been stored away. The armistice brought vast relaxation of the nervous tension.

Workers who had been taken from the factories lay dead and no hands were trained to take their places. There have been race riots, mob violence and industrial disputes in which some see the working of the Bolshevik element; but America will never exchange the solid foundations of civilization for any such fantastic theories.

We have an army of tried soldiers and true Americans who have no affection for disorder. The army is not taking sides in any controversy except that between order and disorder.

What are our post-armistice problems? One was the demobilization of the army of France. That problem is relatively over. Our national problem is to keep our balance.

It is our duty wherever we may be, to proclaim our faith in the ancient principles of democracy and a republican form of government.

War is sometimes necessary. Because of this war men can produce and enjoy in peace and satisfaction, and children of the next generation will have the opportunity to progress in culture and in happiness because of the sacrifices made by this generation.

Mrs. Wm. Briggs presented current events in a very interesting manner.

Mrs. Joseph Micklethwait and Miss Mildred Dunn favored the club with a violin duet and Miss Harriet Scarff sang.

Mrs. J. O. Taylor was assisted in serving refreshments by Mrs. P. J. Kille, Mrs. E. E. Bower, Mrs. O. H. Dickey and Mrs. Chas. Wilhelm.

The Social Committee has arranged for a Xmas party on Dec. 19, which will be a guest meeting.

The marriage of Miss Edith Marie Carpenter and Byron Armstrong Wolfe, a young couple of Athens, occurred at the First Methodist Episcopal Church in Athens on the afternoon of Thanksgiving Day. Mrs. Wolfe, the daughter of Mr. and Mrs. William A. Carpenter of Elmwood Place, has visited here with Miss Mary Anderson. She enlisted in the yeoman branch of the Navy in September, 1918, and was released in June, 1919. Mr. Wolfe, the son of Mr. and Mrs. Byron F. Wolfe, of Athens, returned from France early in August.

MISS DOLLY WISE

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Miss Dolly Wise—I am a very unhappy girl. I am engaged and am only 17 years old. I am supposed to get married right away. My parents aren't very good to me but they have given up for me to marry. Now Dolly, I think enough of this but can't say I really love him. I don't feel like I had rather give up my single life so young, but my parents threaten that I will have to stay at home and not go anywhere, and different things will have to do if I don't marry now. What is best for me to do? I don't want to marry. I don't feel like I could live with some one I didn't love. This boy seems to love me very much. I am very anxious to have your advice. Thanking you very much.

MISS A. H. C.
I don't advise you to get married at all feeling as you do and being so young. I suggest that you get in touch with Miss Emma Hubert, Bureau of Community Service, by telephoning 408 or calling to see her by appointment at her office, seventh floor, First National Bank Building. Miss Hubert does personal work with girls and will know best what to suggest in your case. Let me urge you to do this as I think it is a chance for a bigger horizon for you.

Dear Dolly—I am asked what a boy did 15 years of age and we are engaged and are to be married within a short time. She used to be a very good girl but she has been bad for the last few months she hasn't been to school. I still correspond with her but she is going away her address. Now Dolly, do you think she should be such a thing after being a married girl? I have given up all my girl friends for her and don't you think she should be such a half way? I really love her and would do anything to make her happy. I have power for her. I am only 21 years of age and have a good job. Do you think we are too young to get married?

Dolly what do you think of a girl that would try to make a man love her?

friend of hers with my girl in my presence?
Is there any way I could test her love for me? I am willing to make any sacrifice in order to marry her.

ORIO BOY
She is just too young to get married. Ohio Boy, and you are just too young to make allowances. It would be much safer and would insure your future happiness if the both of you would content yourselves to wait a year or two. Decide, each of you, to go with other people, for you know that your ideal love is one that can stand separation and remain true. She is too young to be bound by the responsibilities. You should realize this since you love her and you should be willing to wait.

If she is good friends with the boy to whom she gave her address, show you should have perfect faith in her. Tell her how to you expect your love and how to last) until you are married and even after, her friendships should not be enlisted. Of course, I know this is more idealistic than practical in most cases but then one always lives with the ideal as well. If she truly loves you she should not care to have dates with other men. She would not find enough pleasure in their company to forego the pleasure in being with you. Since she doesn't, that proof she is not ready to get married. Nothing is more platitudinal than the notion of a young girl like marriage. Before her from her engagements and to a good friend to her.

The other girl showed more taste in being for all that. I think you should be able to find it within you.

I am a good conversationalist and can make friends easily with girls and women, and men who are in authority, such as superintendents and managers of school boards. I am one of the progressed women of my county and have a very wide circle of acquaintances.

I have often wondered what a girl is expected to do when she is told not to mind when a fellow loses interest in her, but to go with other fellows. How is she to get other fellows? I never know how to "set my cap" as the phrase goes, as never practice the custom of lirting.

What is the trouble with me that I cannot tell a man's interest.

L. H.
Probably your life is absorbed in your teaching. You think more of your children and new methods than you do of men. Girls who are "crazy" about men usually have all they want. It seems to me the nature of things to draw out that which one nature most needs for its development.

Possibly you are too much of a leader and too independent to please men. Be gentle and sympathetic, but

was a boy five years my junior. Occasionally a fellow accompanies me from a place of entertainment but does not ask for a date for continue the acquaintance.

When in company with a young man I try to talk of the things in which he is interested, and to induce him to talk on the same things. I try not to be over friendly, but to show appreciation of his company. I often dream of imaginary meetings and conversations, but they seldom occur, and I try not to betray my loneliness or disappointment because of my lack of friends.

not dominant or positive in your ideas. There is a chance, too, that you do not meet men of your class except superintendents, etc., and they are

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the only tablets for colonic, act gently on the bowels and positively do the work. People afflicted with bad breath find relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous cathartics does without any ill effects.

All the benefits of nasy, clearing, cathartics are derived from Dr. Edwards' Olive Tablets without paying pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with constipation and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.

Thought Auto Was Stolen

Last night police found a Baxon automobile in the alley between Third and Second street, east of Gay, and thought the machine had been stolen and hid there. The car was taken to Pritchard's garage, where the owner, William McMillan, Second and Bond streets, found the machine this morning, he being located by the police after no report was received of a machine being stolen. McMillan explained that he was going hunting early this morning and left the machine in the alley where he would have easy access to it when he started on his trip.

OHIO STATE MAY GET LARGE GIFT

COLUMBUS, O., Dec. 6.—O. F. Kettering, Dayton manufacturer, alumnus and trustee of Ohio State University, according to a Dayton newspaper, may make a large gift to the university.

Information is to the effect that Kettering is to build a stadium, (as reported two weeks ago), but instead will set aside a large endowment fund for the university, the report said.

"That he will give outright enough money to erect a modern engineering laboratory," was an apparently well founded," the paper continued.

An official of the university said nothing definite had been announced concerning a donation from Kettering.

CLAIM POSTMORTEM SHOWS THAT ROLLINS WAS SHOT FROM BEHIND

Cornier A. D. Hendrickson is still investigating the Vernon township homicide case of Thomas Bowen who shot to death his son-in-law, Louis Rollins late Wednesday afternoon, following quarrels. The coroner conducted a postmortem on the body of the victim Thursday but will not be ready to make his official findings until early next week. The postmortem disclosed, it was said, that Rollins was shot from behind, the wound indicating that the bone of the victim's head was driven forward from the rear by the bullet. This theory is a strong point in favor of the prosecution and tends to disprove Bowen's statement that he fired the fatal shot while Rollins was advancing toward him with

The Markets

NEW YORK STOCKS

NEW YORK, Dec. 6.—Oils, steel, equipments and motors represented the heavy issues in today's brief stock market session, while motors specialties and food and tobacco shares represented the firm to strong stocks. In the main, however, trading consisted of the usual week end settlement of outstanding contracts, including moderate coverings of shorts. The coal shortage and Mexican situation were again factors to the extent of reducing dealings to fairly limited proportions. Investment rally and sugar were in active demand later. The closing was firm. Sales: approximately 500,000 shares.

The Church That Is To Be

Sunday evening at All Saints church the rector will preach a special sermon on the church of the future. Don't miss this opportunity of hearing how the church proposes to adapt itself to the needs of the new times. If the church of the past has not appeared to you, the church of the future will. This is the opening day of the great.

IS JESUS CHRIST THE SON OF GOD?

The deity of Jesus will be the theme for the sermon at Trinity Church Sunday morning. Many people who believe in him are not able to state their reasons for that belief. In clear simple language the reason for accepting the deity of Jesus will be set forth. Also the arguments brought forth by those who claim that Jesus was only a great prophet and not divine will be stated. The theme is of

OBITUARY

Mary Catherine Hart Beery was the daughter of Stephen and Lydia Hart. She was born in Lancaster, Penn., August 24th, 1870. She came to Upper Sandusky in 1881 with her parents and resided there until her marriage to B. V. Beery at Wilmington N. C. on April 30th, 1894. For a number of years they resided in Chicago later moving to Portsmouth having resided here for the past 16 years, where her husband B. V. Beery holds a position with the N. & W. Her sudden and untimely demise on December 1st at 6:30 A. M. was a severe shock to her husband, mother and father. Mary Catherine Beery was a highly cultured and truly Christian woman. She was a fervent and devout Catholic all her life and previous to her marriage was a member of St. Peter's church of Upper Sandusky, Ohio. After moving to Portsmouth she became a member of St. Mary's parish. Her age at the time of her death was 49 years three months and eight days.

She is survived by her sorrowing husband and parents and the following brothers and sisters: Mary M. Hart and sister Mrs. Adam Burkhardt of Upper Sandusky, O. Stephen J. Hart of Marion and John Hart of Toledo who at present is employed in New York City in the interest of the A. E.

Solemn Requiem High Mass was celebrated by the Rev. John H. Forer pastor of the St. Peter's Parish of Upper Sandusky, O., Thursday morning, December 4th at 8:30 o'clock. Burial took place in St. Peter's church cemetery.

that five takes the finals in the first annual tournament of the Central States Bowler's Association. The finals will be held here at the Federal Plaza, beginning December 30, and continuing for two weeks. Secretary Harry Voyer, of the association, made this announcement today. Grah is equally as good a bowler as he is a ball player.

During his early ring career Georges Carpentier, Europe's champion, grew rapidly from a bantam-weight to a light-heavyweight and beat the European champions in each class as he progressed. He amassed a fortune variously estimated from \$200,000 to \$500,000. Most of this money he invested in coal mines near Lens, where he was born, and he lost everything there by the German invasion. During the war Carpentier was conspicuously daring as an aviator.

<p>The return wrestling match between Fox and Varga for Tuesday night is creating a great deal of interest among the fans who are anxious for a definite decision between these two champions. At present each one has a win to his credit and each is confident of being able to win Tuesday night. With the fans went back last Fox was barred. Varga states that he can defeat the Clevelander with ease, but Fox, while saying little, is equally confident and he has his manager, George Greenwood, are taking all bets off.</p> <p>One other is sure the match</p>	<p>will be a hummer from beginning to end and the fans will sore get their money's worth in action.</p> <p>Since coming to Portsmouth a few months ago, Varga has won eight battles, got one draw from Fox and won a handicap match with Demarek, the Greek, failing to throw him twice in an hour. Some of the men he has defeated are counted among the best at their weight in the country and all agreed that Varga was a hard man to beat. Fox stated that he was one of the toughest he had met this season.</p> <p>Fox has been wrestling a great deal</p>	<p>around Cleveland, Detroit, Boston, New York, meeting some of the best in the world, and his first defeat at the hands of Varga when they met at Ashtabula. Previous to that he had had only one fall registered against him this season.</p> <p>The match will be held Tuesday night at the Victory Hall and probably be the last one until time in January. The regular will prevail and reserved seats secured at the Play House, the Monroe or at the East End Club Shop.</p>

NEW ORLEANS, La., Dec. 6.—Jack Dempsey, heavy-weight champion, already is under contract to meet in New Orleans the winner of the Beckett-Carpenter fight. Donaldrick J. Fortwick, fight promoter of this city, announced today. He added that Nate Lewis, of Chicago, acting as his representative, was due to arrive in London today to sign up Carpenter, the new heavy-weight champion of Europe. "I have Dempsey's contract to meet the winner of the Beckett-Carpenter fight in New Orleans, and I think Dempsey will keep his word," Fortwick said.

"Arrangements have been made to make to Carpenter ten percent guarantee the day he signs arti-

MILWAUKEE, Dec. 6.—Now that the International fight between Carpenter and Barker is over, the sports will turn their attention to the next fight of international importance in this city tonight when Jimmy Wilde of England meets Jack Sharkey of New York City in a forward contest. There will be no decision.

Sharkey and Wilde completed training today. Sharkey appears to be in better shape than for any of his Milwaukee bouts and today will take 125 pounds. He could be cut down to 115 pounds without hurting himself. Indications now at the house will total \$50,000.

CAMBRIDGE, MASS., Dec. 6.—The Harvard University football team, which will invade the West to play a leading Pacific Coast eleven at Pasadena on New Year's Day, will be virtually the same as that which won the national title, and leading substitutes shown that almost all were available. One or two may be lost because of recently developed academic difficulties, and two others said they might wish to pass Christmas with their families.

All Jack, Captain Fred Muller of the 1920 football team of Portsmouth High school. He was elected Captain by the football men of the P. H. S. Twelve of them at a banquet given in their honor by the business men of Portsmouth at the U. B. church last evening.

Muller will enter his fourth year of playing on the varsity team of P. H. S. when he assumes the captaincy next year, having made the eleven in his freshman year. He is also captain of the red and blue basketball; and at the speed he is now going will beat four sport men ever known by P. H. S. when he receives a shoe-pin a year from next year.

His election was unanimously recommended by Manager Grimes.

CHICAGO, Dec. 6.—The faculty of the Western Polytechnic Conference and coaches of the colleges that make up the organization were here today to discuss affairs of minor importance and make up schedules for next year. The number of games decided, however, is on the prepared schedules of the larger schools. Some of the expressed a desire to obtain rival whereby a fixed number of games would be played.

GARFIELD BARS RAISE IN THE PRICE OF COAL

NO IMPROVEMENT IN NATION'S SITUATION

WASHINGTON, D. C., Dec. 6.—Fuel shortage in the west to increase not one cent can be added to the price of their product. Simultaneously the railroad administration established an embargo of Garfield declared today, after reading press dispatches that Governor Cox, of Ohio, had proposed that miners and operators in that state compromise on the basis of a 25 percent advance in pay for the men. Dr. Garfield indicated that the government would impose no objection if the increase could be given without advancing coal prices.

"There will be no increase in the present price of coal as fixed under the Lever act," Dr. Garfield said, "no matter what coal arrangements and agreements are put into effect." He added that his position was absolutely unchanged from that taken on November 26, with the authorization of the cabinet. Dr. Garfield explained then, in suggesting the 14 percent advance, which the miners promptly rejected, that he was not fixing wage scales, and had no authority to do so. He indicated that the increase suggested was merely that which the operators were able to grant without advancing the price of coal, which the government has fixed.

WASHINGTON, Dec. 6.—Prosecution of western oil producers for alleged profiteering was ordered today by Attorney General Palmer. On complaint filed by Senator Capper of Kansas, federal agents were instructed to proceed at once against producers who have taken advantage of the

JENKINS NOT GIVEN UNCONDITIONAL RELEASE AS DEMANDED BY U. S.

WASHINGTON, Dec. 6.—The state department was engaged today in clearing up the report that William O. Jenkins, American consular agent imprisoned at Puebla, Mex., had been released on bail in compliance with Pres. Carranza's request instead of upon the diplomatic insistence of the United States government.

On the heels of the report of Jenkins' release, news dispatches were received from Mexico City that a check for the \$500 bail bond had been deposited with the civil authorities at Puebla by J. Walter Hanson, a friend of the consular agent. Later dispatches said the bond was placed without Jenkins' knowledge and that he was attempting to reenter the prison and await unconditional liberty.

It was not known early today what course the state department would pursue if it were proven officially that Jenkins was released on bond and not as a result of the demands contained in the American notes to President Carranza for the immediate release of the consular agent.

PARIS, Dec. 6.—The text of the reply to be made by the allied and associated powers to the latest communication from Baron Kurt Von Lersner, head of the German peace mission, regarding the original allied demand for the signing of the protocol putting the peace treaty into effect, submitted to Germany on November 1, was unanimously adopted by the supreme council today. Premier Clemenceau presided over the session.

PARIS, Dec. 6.—(Havas)—Germany will be called upon in a rigorous note, which the supreme council of the peace conference will complete today, to yield immediately to the allied demand that the protocol of the Versailles treaty be signed, according to the Excelsior. The newspaper says it has reliable information that Washington has advised Berlin to adopt a more conciliatory attitude.

If ratification is not completed by December 31, says the Echo de Paris, certain clauses of the pact will be rendered impracticable and the allies will be obliged to submit to Germany a new protocol, which will result in still further delay.

CARRANZA TROOPS FIRE ON OBREGON FOLLOWERS

WASHINGTON, Dec. 6.—Private advices received here today from Mexico said Carranza troops at Pachuca, state of Hidalgo, fired on the followers of General Obregon while the general was making a public address in the interest of his candidacy for the presidency. No details were given.

RIGOROUS NOTE WILL BE SENT TO GERMANY
